

ISO TC 247 U.S. TAG Meeting Announcement

ISO TC 247 will develop International Standards to curtail; the counterfeiting of critical components and products of value, identity management/identity fraud, and the related financial fraud.

The United States TAG Administrator to TC 247 “Fraud countermeasures and controls” has announced the meeting location and dates for their first meeting.

The meeting will be held at;

Embassy Suites, Denver International Airport

Denver, Colorado

August 18, 19 and 20, 2009; an information exchange, organizing and planning meeting will be held on the 18th, with the TAG meeting on the 19th and 20th.

The general purpose of this first meeting will include the selection of representatives to the ISO TC 247 and ISO PC 246 “Anti-counterfeiting tool” meetings to be held in Santa Clara, California. This TAG meeting will also; review the scope of the U.S. TAG and TC 247, the review and submission of any new work items, and the development of the United States positions on any proposed work items from other national standards bodies.

This meeting is open to members of the U.S. TAG and approved invitees.

An agenda is being prepared and will be circulated prior to the meeting to all attendees.

For information regarding the meeting or the work of the US TAG/ ISO TC 247 please contact:

Michael O’Neil

U.S. TAG Administrator

Executive Director, NASPO
